

Trip Report**Oronogo-Duenweg Mining Belt & Cherokee County****October 7, 2019 – October 10, 2019**

From: Daniel O’Crowley, Field Technician, SUPR/LMSE

DO 10/11/19

Through: Preston Law, Branch Chief, SUPR/LMSE

P

To: Record Center – Site File (Oronogo-Duenweg Mining Belt & Cherokee County)

Trip Purpose:

- Contractor oversight at Oronogo-Duenweg Mining Belt OU-1
- PRP site walk at Cherokee County OU-3 and OU-CL

Results:**Oronogo-Duenweg Mining Belt OU-1****October 7, 2019**

- EQM hauling waste along powerlines on Snowball north of Dogwood Lane, recontouring slopes at Gypstack, and burning brush at MW-18.

October 8, 2019

- Daniel O’Crowley (EPA) and Steve Kemp (EPA) conducted inspection of Gypstack repository. Noted that EQM was reworking the slopes.

October 9, 2019

- Daniel O’Crowley, Steve Kemp, and Todd Campbell (EPA) inspected Gypstack Repository, MW-09, MW-19-3, MW-26, MW-14, MW-18, and Snowball north of Dogwood Lane. Noted deficiencies at each location that needed to be addressed by EQM.

October 10, 2019

- Daniel O’Crowley, Steve Kemp, Todd Campbell, Koni Fritz (EPA, called in), Craig Hoby (EQM), Jason Smith (EQM), and Troy Cooper (EQM) met to discuss work to be conducted under remaining contract. EQM presented punch list items for open mine waste areas, proposed schedule through November 15, 2019, and proposed budget through end of contract.
